SEVENTH-DAY ADVENTIST
Rufus b. McDannel, Pastor
Sabbath School Lesson No. 13 for Sept. 25
Subject: The Miracle of Missions
Scripture Key Text –"For He will finish the work, and cut it short in righteousness: be – cause a short work will the Lord make upon the earth." Romans 9:28

The task of evangelizing the world with the everlasting gospel, the "Good news of the ages" will be complete before Christ returns to our world. He who has all power in heaven and earth. He who has every resource at His disposal has decreed it so. Men fail because they neglect to take all factors into account, or because their resources are limited, or because they do not possess the determination that is required. But there can be no failure in God's great program of missions when we take into account His omniscience, His power, and His sovereign will to "finish the work, and cut it short in righteousness."

The story of the growth and development of Christian missions is thrilling. The miracles of divine grace on the hearts and in the lives of men in lands near and far inspire us all. But do we want this adventure to continue indefinitely? Will the end never come? We close this quarter's series of lessons with a consideration of "The Miracle of Missions" With the Church of God triumphant on the sea of glass in the kingdom of glory.

Lesson Outline –I. The Miracle of Power. Rom. 1:16. 2. The Miracle of Transformed Lives. Eph. 2:1,2. 3. The Miracle of a Harvest. Acts 5:7; 12:24; 19:20. 4. The Miracle of One World Church. John 10;16. 5. The Miracle of a Completed Task. Matt. 24:14. 6. The Miracle of the Church Triumphant. Rev. 7:9.

The word translated into English as "Power" is the same as one from which our word "dynamite" is derived. The gospel is the dynamic power of God to save men. It is the good news about God and His infinite purpose. "There is a great work to be done, The world will not be converted by the gift of tongues or by working of miracles, but by preaching Christ crucified, The Holy Spirit must be allowed to work." –Testimonies to Ministers. p. 424

Men physically dead, cannot restore themselves to life. Nor can men who are spiritually dead. The power to impart life must come from outside themselves. "Miracles can be wrought through the Word; for it is profitable for all things." – Evangelism, p. 489.

Christ never told His disciples to pray for the harvest. God has promised the harvest if we will pray for laborers, and then help Him answer our prayers. "Other sheep I have which is not of this fold: them I also must bring and they shall hear My voice; and there shall be one fold, and one Shepherd." John 10:16. "To you, my disciples, I commit this message of mercy. It is to be given to both Jews and Gentiles – to Israel, first, and then to all nations, tongues, and people. All who believe are to be gathered into one church." The Acts of the Apostles." p. 28.

(Read Matt. 24:14, also Rev. 7:9) "What sustained the Son of God during His life of toil and sacrifice? He saw the results of the travail of His soul and was satisfied.

THIRTEENTH SABBATH OVERFLOW OFFERING SEPT. 25 - TRANS-AFRICA DIVISION

The Congo and Central African Unions, which are French speaking areas, comprise nearly one half the membership of the Trans - Africa Division. These unions include the countries of Rivanda, Burundi, and the Congo, to which our Thirteenth Sabbath Overflow Offering goes. The specific projects are (1) a classroom and administration building at Kivu Adventist Seminary, Congo; (2) an administration building, including a library and a laboratory for the Gitme College in Rwanda.

After years of trouble and war stability and peace have now come to Congo. This country, four times the size of the state of Texas or the country of France offers great potential and promise for our work. Tribalism is gradually eroding. The Prejudice and opposition which made our work difficult in past years have all but disappeared under the existing government.

The word missionary is still magic in this country for great respect and appreciation are shown the missionary who left his homeland to help these people in their need. Be assured, however, that our National believers do not sit back in indolence, expecting the work of spreading the gospel to be done by the missionaries alone. They work together as an effective team. You may not have been to the Congo, Rivanda, or Burundi, but you know their people: They are the same as you ; they want to learn; they want to be of help to others; to be ready to meet Christ when He comes.

You are both alike - except they need an opportunity. The Appomattox Seventh-day Adventist Church in Appomattox, Va. will be along with Adventist all over the world sending their Thirteenth Sabbath Offering to further the "Great Cause" of giving the Gospel to all the world.

Put Your Fertilizer Down NOW

Fall application of *Southern States Fertilizer* pays off. Here are 10 important reasons why you should get your Southern States Phosphate, Potash and Lime down now while the getting's good:

1. Fertilizer prices are almost always lower in the fall. You save money.
2. Fields are usually firm and dry. Less soil compaction.
3. Fall fertilization eases the spring work load. You may be able to plant your corn earlier.
4. Fall-spread plant food has a chance to work down to the root zone for bigger crop yields. There's practically no nutrient loss.
5. Roots tend to grow deeper. Plants resist drought better.
6. Fertilizer spread in the fall helps "winterize" your forage crops.
7. You avoid wet spring problems.
8. Quick delivery is assured. No delays.
9. No difficulties obtaining desired analyses.
10. You can seed cover crops and apply plant food in the same trip.

See your Southern States Cooperative Agency now.
For CORN, SMALL GRAINS, COVER CROPS, FORAGE CROPS –the facts favor fall fertilization.
